Our Camp is designed to give you an opportunity to learn from the countries best! We want you to come and learn a few of the techniques that have helped make Cornell University the 2011 National Duals tournament Champions. And NCAA DI Nationals runners up for the last two seasons. Randall has had a state medal return from the UIL tournament for the past 17 years. Randall

has won the District and Regional tournaments 10 times each. And is currently on a 8 year championship streak at those tour-

naments. Randall is also a 2x State Championship Team. A highlight to this season is that Randall won the prestigious Rocky Welton Invitational in Garden City Kansas. Teams include: Rio Rancho, the New Mexico State champions, Ponderosa, the Colorado state champions. Emporia, the Kansas state champions!
