

Women's Information Packet

Congratulations on your accomplishment. It is an honor to compete with Team Texas. We hope that your participation will be rewarding and memorable. In order for you to be officially recognized as a part of the team, the attached form must be appropriately completed and turned in before you leave this tournament. This Statement of Intent form insures that you have met the eligibility requirements of Team Texas, and indicates the competitions, styles, and weight in which you will be willing to compete.

As you complete the form, there are several important things to keep in mind:

- **Use good penmanship! (write legibly)** – It is important that we are able to read what you have written. A lot of this information will be transcribed to other documents.
- **Fill out everything!** – If you do not understand what information is required, ASK!
- **Make sure that you have your parent sign the form.**

After you have completed the form, you need too:

- Turn it in to the registration table.
- Submit a \$300.00 **non-refundable** deposit (Make checks payable to "TxUSAW-Team Texas Women")

If your parent is not here, you need to submit the completed form anyway, and take a copy home that they can sign and mail back to us.

If you do not have your \$300 deposit, you need to submit the completed form anyway and have your parent mail in the deposit as soon as you get home.
